

Hidden Creek is excited to offer Horsemanship Course beginning this Fall. These are unmounted lessons designed to increase participants knowledge about horses and their safety and confidence around horses. More advanced courses include handling horses in more difficult situations, developing a deeper relationship with a horse, horse care and basic first aid. These courses will run as 8-week sessions with small groups of 5 or fewer. Lessons will be one hour each week. The cost for each 8-week session is \$160. Certificates will issued upon completion of each course.

We are also offering private ½ hour groundwork lessons for those who have specific concerns with handling their own horse. These lessons will be \$50 per lesson.

These Horsemanship Courses are open to anyone ages 6 through Adult who is interested in learning about horses and improving their skills and confidence - they are not limited to current Hidden Creek students. No prior experience with horses is required for the Beginner Horsemanship I course.

The Fall Session will be held on Tuesday Evenings from September 5th through October 24th. The time for each class will be determined by registration numbers. If necessary, we will add a second night. To register or to obtain additional information, email us at jmk@hiddencreekequestrian.com or send us a message on facebook.
