

2024 Horsemanship Lessons

Are you looking to level up your horsemanship? Or maybe there's a horse lover you'd like to surprise with a gift they'll never forget? Whatever it is, whether you're just getting started or want another tool in your equestrian toolbox, this is a course you won't want to miss!

Starting March 21st, 2024, Hidden Creek will be back with its 8-week Horsemanship courses that provide unmounted classes where you'll learn the ins and outs of equines. We have courses for all experience levels as well as privates for specific issues you may be having with your horse. From proper grooming to feeding and care to joining up and leading leadless, there is something for everyone looking to up their skill level.

Students who participated in the last Horsemanship Course Session or who have participated in our private Horsemanship lessons rave about how much knowledge and confidence they have developed. These courses can do the same for you!

For only \$160 you'll get 8 weeks of hands-on experience with horses and their care, plus you'll receive a certificate of completion at the end to mark your level up! Classes will be one hour on Thursday evenings, with a maximum registration of five students per class, so make sure to get your spot reserved right away!

For more information on classes, check out the accompanying PDF linked below, or just email us at jmk@hiddencreekequestrian.com to get your registration in today.
